**RESOLUTION ADOPTING THE ANNUAL SCHOOL BUDGET FOR FISCAL YEAR 2016**

**WHEREAS**, pursuant to Section 34-43 of The Illinois School Code (the "Code"), the Board of Education of the City of Chicago (the "Board") is required to adopt an annual school budget for each fiscal year of the Board no later than 60 days after the beginning of the fiscal year of the Board to which such budget relates; and

**WHEREAS**, the Board is directed by the provisions of Section 34-43 of the Code to balance its budget in each year within standards established by the Board; and

**WHEREAS**, Section 34-43 of the Code authorizes the Board's budget for any fiscal year to (i) provide for the accumulation of funds for educational purposes as the Board may direct or for capital improvements or in order to achieve a balanced budget in a future year within the four-year period of the Board's financial plan to begin in that budget year; and (ii) to provide for a reserve in the educational fund to ensure uninterrupted services in the event of unfavorable budget variances; and

**WHEREAS**, Section 34-45 of the Code directs that the budget shall include the organization units, purposes, and objects for which appropriations are made; the amount appropriated for each organization unit, purpose or object; and the fund from or to which each amount appropriated is to be paid or charged; and

**WHEREAS**, the Board is empowered and directed by the General Assembly pursuant to the provisions of Section 34-3.3 of the Code to: (i) increase the quality of educational services in the Chicago Public Schools; (ii) reduce the cost of non-educational services and implement cost-saving measures including the privatization of services where deemed appropriate; and (iii) streamline and strengthen the management of the system, including a responsible school-based budgeting process, in order to focus resources on student achievement; and

**WHEREAS**, the District has provided most schools with budget allocations using a Student Based Budgeting model which calculates allocations for core instruction funding based on a per-pupil formula and further provides a principal with discretion on the use of per-pupil funds; and

**WHEREAS**, the Board's Debt Management Policy, Section III.I. (Board Report 13-0724-PO1), authorizes the Board to use its operating funds to establish a reserve balance accounted for within the Debt Service funds to be used for any governmental purpose approved by the Board and delegates authority to the Chief Financial Officer ("CFO") to authorize any transfer to or from Debt Service funds; and

**WHEREAS**, the President and Members of the Board declare their intent that the Board reimburse itself for the payment of all or a portion of capital expenditures as outlined in Exhibit A of this Resolution and the website [www.cps.edu/budget](http://www.cps.edu/budget) with the proceeds of tax-exempt Bonds when such proceeds are available, which declaration of intent is intended to comply with Section 1.150-2 of the Federal Income Tax Regulations; and

**WHEREAS**, the Board currently expects that the proceeds of the Bonds will be applied to so reimburse itself not later than 18 months after the later of (a) the date the original expenditure is paid, or (b) the date the Project is placed in service, but in no event more than three years after the original expenditure is paid; and

**WHEREAS**, it is now appropriate for the Board to adopt its annual school budget for its Fiscal Year 2016 and related standards and policies;

**NOW, THEREFORE, BE IT HEREBY RESOLVED BY THE BOARD OF EDUCATION OF THE CITY OF CHICAGO as follows:**

**Section 1. Findings.** It is found, declared and determined as follows.

(a) Pursuant to section 34-43 of the Code, the Board has previously established standards by which its budgets shall be balanced in each fiscal year, consistent with the requirements of the Code.

These standards provide that each budget of the Board shall cover a fiscal year of the Board and shall be developed and adopted in accordance with the requirements of the Code, including, but not limited to, Sections 34-42 through 34-51 thereof. These standards also provide that each budget shall be prepared in accordance with generally accepted accounting principles and shall be balanced such that, for each fund, the estimated sum of all revenues for the fiscal year from all sources and the amount of Fund Balance Available for appropriation in the fiscal year is greater than or equal to the estimated sum of all appropriations required to defray the amount of all expenditures and charges to be made or incurred during the fiscal year and the amount of all unpaid liabilities at the beginning of the fiscal year. The standards further provide that in determining the amount of the Fund Balance Available for appropriation in the Educational Fund, there shall be deducted (i) the amount, if any, which the Board directs to be accumulated to achieve a balanced budget in a future year within the four-year period of the financial plan to begin in the budget year or for capital improvements, and (ii) any reserve to insure uninterrupted services in the event of unfavorable budget variances. The Board's goal is to have a balanced budget over the period of the four-year financial plan that is to be developed.

(b) The annual school budget for Fiscal Year 2016 was prepared in tentative form by the Board and was available for public inspection for at least fifteen days prior to adoption (to wit, since August 10, 2015) by having at least five copies of the tentative budget on file in the Office of the Board and was posted August 10, 2015, on the district's web site at [www.cps.edu/budget](http://www.cps.edu/budget).

(c) On August 18, 2015, three public hearings were held concerning the adoption of the annual school budget for Fiscal Year 2015, notice of such hearings having been given by publication on August 13, 2016, in a newspaper of general circulation in the City of Chicago.

**Section 2. Budget Approval.** The Annual School Budget for Fiscal Year 2016, incorporating Exhibit A of this Resolution and the web site at [www.cps.edu/budget](http://www.cps.edu/budget), is adopted.

**Section 3. Transfers Between Appropriations.** The Office of Management and Budget may approve transfers within any Board fund and within an object group and purpose in accordance with this Section. Except for matters approved by the Board as being within the discretion of the Office of Management and Budget, transfers within a fund and between object groups and purposes must be recommended by the Office of Management and Budget and approved by the Board by a vote of two-thirds of the members, provided that such transfers shall not exceed 10% of the fund during the first half of the fiscal year, and no appropriation shall be reduced below an amount sufficient to cover all obligations that will be incurred against the appropriation. The Chief Executive Officer shall define object groups and purposes that are subject to these requirements.

The CFO is hereby authorized to transfer and use Debt Service funds not otherwise restricted under bond documents for the purpose of operating and capital expenditures to support cash flow during the fiscal year. Transfers from the Debt Service funds for this purpose will be repaid from the next receipts of property tax revenues.

**Section 4. Capital Budgeting Process.** The Chief Executive Officer proposed a one-year Capital Improvement Plan (the "CIP") consistent with the annual budget and the requirements of Section 34-215 of the Code on May 2, 2014, for the Board's approval. Three public hearings were held to receive public comment on the proposed CIP concurrent with the public hearings concerning the adoption of the annual school budget for Fiscal Year 2016.

The Board reasonably expects to reimburse itself for the payment of capital expenditures incurred and paid by the Board from its own funds with the proceeds of the tax-exempt Bonds upon the issuance thereof. These capital expenditures are outlined in Exhibit A of this document and the website [www.cps.edu/budget](http://www.cps.edu/budget).

**Section 5. Grants.** The Office of Grant Funded Programs shall be responsible for the structure and accountability of the school district's grants management process and the Office of Management and Budget is designated as the managing fiscal agent for the Board for all grant applications received from governmental funding agencies. The Office of Management and Budget shall establish rules and procedures for all grant applications and for the acceptance of school-based grants and gifts.

The principal of a local school or unit head, serving as an agent of the Board, is responsible for the implementation and management of all school-based or unit-based grants from governmental and non-governmental agencies. The principal or unit head is responsible for implementing the program in a timely fashion, as approved by the funding agency, and for expending funds in accordance with the terms, budget, and liquidation requirements of the approved proposal.

**Section 6. Budget Allocations.** Any Policy that refers to the use of a quota formula to determine school budget allocations or other related requirement is hereby deemed to constitute reference to the Student Based Budgeting model referenced in this Resolution.

**Section 7. Personnel Policies.** The appropriations herein made for personnel services shall be regarded as maximum amounts to be expended from such appropriations. Such expenditures shall be limited to personnel only as needed, or as may be required by law, not to exceed the maximum that may be employed for any position by title. Notwithstanding any item in the budget, one person may be employed or more than one person may be employed, upon recommendation of the Budget Officer and the Chief Executive Officer, whether such title is printed in the singular or plural. The salary or wage rate fixed shall be regarded as the maximum salary or wage rate for the respective positions, provided that salaries or wage rates are subject to change by the Board during the fiscal year in accordance with collective bargaining agreements approved by the Board.

Initial appointments to any position, transfers among positions and resignations of Board personnel shall be made in accordance with, and subject to, current Board Policies and Rules, as may be amended, from time to time.

**Section 8. Settlement Agreements and Judgments.** No expenditure may be made from any fund or line item account herein for the purpose of executing settlement agreements, entering into consent orders or paying judgments except upon the approval of the Board; provided, however, that this section shall not apply to judgments, settlement agreements or consent orders involving an amount up to \$50,000 or to labor arbitrations. In those cases, the General Counsel is authorized to approve such documents and expend such funds without approval of the Board.

**Section 9. Fiscal Stability.** Pursuant to the Fund Balance and Budget Management Policy (Board Report 08-0827-PO8, as may be amended), in the event that the stabilization fund decreases below 5% of the operating and debt service budget, the CFO will prepare and present to the Board a plan to replenish the reserve. The Board must approve and adopt a plan to restore these balances to the target levels within a 12-month period. If the restoration of the reserve cannot occur within a 12-month period, the CFO or Budget Officer can request that the Board approve an extension of this deadline.

It is anticipated and planned in the FY 2016 budget that the stabilization fund will be below 5% of the operating and debt service budget. Moreover, the FY 2017 budget is anticipated to present similar financial challenges and the CFO does not reasonably foresee the fund balance being restored during FY 2017. Therefore, the Board extends the restoration deadline to the end of FY 2018. The CFO will submit as part of the FY 2017 budget a plan to restore the fund balance by the end of FY 2018.

**Section 10. Severability.** To the extent that any prior resolution or policy of the Board (excluding Board Rules) is in conflict with the provisions of this Resolution, the provisions of this Resolution shall be controlling. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause, or provision shall not affect any of the other provisions of this Resolution.

**Section 11. Effectiveness.** This Resolution is effective immediately upon its adoption.

NOW, THEREFORE, Be It Hereby Resolved by the Chicago Board of Education of the Board of Education of the City of Chicago, as follows:

*Section 1. Incorporation of Preambles.* The preambles of this Resolution are hereby incorporated into this text as if set out herein in full.

*Section 2. Issuance of Bonds.* (a) There shall be authorized the borrowing on the credit of and for and on behalf of the Board the aggregate principal amount of not to exceed \$1,040,000,000 for the purpose of paying (i) costs of the Project, (ii) costs of the Funding, (iii) costs of the Refunding, (iv) capitalized interest on the Bonds, and (v) costs of issuance of the Bonds, including the cost of bond insurance or other credit enhancement, and the Bonds may be issued from time to time, in one or more Series, in said aggregate principal amount, or such lesser aggregate principal amounts, as may be determined by either (i) the President of the School Board (the "*President*"), or (ii) the Vice President of the School Board or any Member of the Board is authorized to execute documents or take action in lieu of the President, or (iii) the Chief Financial Officer (each, a "*Designated Official*"). The Bonds of each Series shall be designated "*Unlimited Tax General Obligation Bonds (Dedicated Revenues), Series 2015\_*," with such additions, modifications or revisions as shall be determined to be necessary by either of the Designated Officials at the time of the sale of such Bonds to reflect the order of sale of such Bonds, whether such Bonds are Capital Appreciation Bonds, Current Interest Bonds or Convertible Bonds (each as defined herein) and any other authorized features of such Bonds determined by either of the Designated Officials as desirable to be reflected in the title of the Bonds being issued and sold as part of such Series. The Designated Officials are each hereby authorized to appoint a Trustee for each Series of the Bonds so issued; *provided*, that such Trustee shall be a bank, trust company or national banking association doing business and having a corporate trust office in the State of Illinois and having capital and undivided surplus aggregating at least \$15,000,000 or shall be a wholly-owned subsidiary of such an entity. The Bonds of each Series shall be issued and secured pursuant to the terms of an Indenture authorizing Capital Appreciation Bonds, Current Interest Bonds or Convertible Bonds, as appropriate (a "*Fixed Rate Indenture*"). Each of the Designated Officials is hereby authorized to execute and deliver, and the Secretary is hereby authorized to attest to a Fixed Rate Indenture on behalf of the Board, such Indenture to be in substantially the respective form executed and delivered in connection with previous issues of Fixed Rate Bonds secured by some or all of the Pledged Revenues, but with such changes therein as shall be within the authorizations granted by this Resolution as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such Designated Official's approval and this Board's approval of any changes or revisions therein from the respective forms of Fixed Rate Indenture authorized hereby.

The details of the sale of the Bonds as described in the notification of sale of such Bonds delivered by a Designated Official pursuant to Section 4(e) hereof and all provisions relating to the authorized denomination, registration, transfer and redemption of such Bonds, within the limitations set forth herein, shall be set forth in each Indenture executed and delivered by a Designated Official as described herein.

Either of the Designated Officials is hereby authorized to select the particular outstanding bonds or other obligations to be refunded, to select the particular outstanding bonds or other obligations to be redeemed, and to determine the redemption date of each outstanding bond or other obligation to be redeemed.

(b) In order to secure the payment of the principal of, redemption price of, interest on and the Compound Accreted Value (as hereinafter defined) of each Series of the Bonds, the Board hereby pledges the Pledged Revenues to the payment thereof, and the Board covenants and agrees to provide for, collect and apply such Pledged Revenues, together with investment earnings thereon and moneys held in the funds and accounts pursuant to each Indenture, to the payment of the Bonds and the provision of an additional .10 times annual debt service in the case of Bonds to be paid from a governmental revenue source or an additional .25 times annual debt service in the case of Bonds to be paid from Pledged Revenues that do not constitute a governmental revenue source. The determination of the sufficiency of the Pledged Revenues and estimated investment earnings pursuant to this paragraph (b) is supported by the Audit or the Feasibility Report, as applicable, and acceptance of the Audit by the Board or of the Feasibility Report by the Chief Financial Officer, on behalf of the Board, if applicable, shall constitute conclusive evidence that the conditions of Section 15 of the Act have been met. Each of the Designated Officials is authorized to allocate all or a portion of the Pledged Revenues to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of each Series of the Bonds and the Indenture pursuant to which such Series of Bonds is issued and the notification of sale of such Series of the Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof shall identify the specific Pledged Revenues allocated to such Series. Once issued, the Bonds shall be and forever remain until paid or defeased the general obligation of the Board, for the payment of which its full faith and credit are pledged, and shall be payable, in addition to the Pledged Revenues and investment earnings as described herein, from the levy of the Pledged Taxes as provided in the Act and as set forth below.

(c) All or any portion of the Bonds may be issued as bonds payable in one payment on a fixed date (the "*Capital Appreciation Bonds*"). Any Bonds issued as Capital Appreciation Bonds shall be dated the date of issuance thereof and shall also bear the date of authentication, shall be in fully registered form, shall be numbered as determined by the Trustee and shall be in denominations equal to the original principal amounts of such Capital Appreciation Bonds or any integral multiple thereof, each such original

principal amount representing Compound Accreted Value (as hereinafter defined) at maturity (the "Maturity Amount") of \$5,000 or any integral multiple thereof. As used herein, the "Compound Accreted Value" of a Capital Appreciation Bond on any date of determination shall be an amount equal to the original principal amount plus an investment return accrued to the date of such determination at a semiannual compounding rate which is necessary to produce the yield to maturity borne by such Capital Appreciation Bond.

All or any portion of the Bonds may be issued as Bonds bearing interest at fixed rates and paying interest semiannually (the "Current Interest Bonds"). The Current Interest Bonds shall be dated such date as shall be agreed upon by a Designated Official and the purchasers of the Current Interest Bonds, shall be in fully registered form, shall be in denominations of \$5,000 each and any integral multiple thereof, and shall be numbered as determined by the Trustee.

The Bonds may be initially issued as Capital Appreciation Bonds containing provisions for the conversion of the Compound Accreted Value of such Bonds into Current Interest Bonds (the "Convertible Bonds") at such time following the initial issuance as shall be approved by a Designated Official. While in the form of Capital Appreciation Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Capital Appreciation Bonds and while in the form of Current Interest Bonds, such Convertible Bonds shall be subject to all of the provisions and limitations of this Resolution relating to Current Interest Bonds. In connection with the issuance and sale of any Convertible Bonds, the terms and provisions relating to the conversion of the Compound Accreted Value of such Convertible Bonds into Current Interest Bonds shall be contained in the Fixed Rate Indenture executed and delivered by a Designated Official at the time of sale of such Convertible Bonds.

The Bonds shall be dated as of a date not earlier than August 1, 2015, as determined by a Designated Official at the time of sale thereof. The principal of the Bonds shall become due and payable on any date not earlier than December 1, 2015 and not later than December 1, 2045.

Any Bonds issued as Current Interest Bonds, Capital Appreciation Bonds or Convertible Bonds shall bear interest (computed upon the basis of a 360-day year of twelve 30-day months) payable either (i) semiannually on each June 1 and December 1, commencing on or after December 1, 2015, or (ii) only at the maturity thereof, at a rate or rates not to exceed 9 percent per annum for any Bonds issued as tax-exempt Bonds or 13.5 percent per annum for any Bonds issued as taxable Bonds, all as shall be determined by a Designated Official at the time of sale of such Bonds.

(d) The Bonds of each Series may be redeemable prior to maturity at the option of the Board, in whole or in part on any date, at such times and at such redemption prices as shall be determined by a Designated Official at the time of the sale thereof. The Bonds of each Series may be made subject to extraordinary redemption prior to maturity, in whole or in part on any date, at such times and at such redemption prices and upon the occurrence of such conditions, all as shall be determined by a

Designated Official at the time of the sale thereof. The Bonds of each Series may also be made subject to sinking fund redemption, at par and accrued interest to the date fixed for redemption, as determined by a Designated Official at the time of the sale thereof; *provided*, that such Bonds shall reach final maturity not later than the date set forth in Section 2(c) hereof.

(e) The Bonds of each Series may initially be issued in book-entry only form as provided in the applicable Indenture. The Bonds shall be executed by the manual or duly authorized facsimile signature of the President and attested by the Secretary by the manual or duly authorized facsimile signature of the Secretary and prepared in the respective forms as provided in the applicable Indenture.

(f) For any outstanding bonds or other obligations refunded pursuant to and in accordance with Section 15(e) of the Act, the determination that the term of such refunding bonds is not longer than the term of the outstanding bonds or other obligations so refunded and that the debt service payable in any year on the refunding bonds does not exceed the debt service payable in such year on the outstanding bonds or other obligations so refunded shall be made by either of the Designated Officials, who shall also execute a certification attesting to said determination. In the event that a refunding of any or all outstanding bonds or other obligations is undertaken by this paragraph (f), either Designated Official is hereby authorized to pledge as payment for said refunding bonds any revenue sources identified in the 2015 Authorization, provided that any such pledge shall be consistent with existing bond covenants and restrictions and Board policies.

*Section 3. (c) At the time and in the manner set forth in each Indenture, the Board shall direct the abatement of the Pledged Taxes in whole or in part.

(d) The notification of sale of any Series of the Bonds delivered by the Designated Officials pursuant to Section 4(e) hereof may provide for the allocation of all or a portion of the Pledged Taxes levied for any year pursuant to this Resolution to the payment of the principal and redemption price of and interest on such Series of the Bonds.

*Section 4. Sale of the Bonds, Purchase and Sale Agreements.* (a) Each Series of the Bonds shall be sold and delivered to the Purchasers thereof, subject to the terms and conditions of the applicable Purchase and Sale Agreement; *provided*, (i) that the aggregate purchase price of any Current Interest Bonds paid by the Purchaser shall be not less than 97 percent of the principal amount thereof to be issued (less any original issue discount used in the marketing thereof) plus accrued interest from their date to the date of delivery thereof, (ii) that the aggregate purchase price of any Capital Appreciation

Bonds or Convertible Bonds paid by the Purchaser shall not be less than 97 percent of the aggregate original principal amount thereof and (iii) that the compensation paid to the Purchasers in connection with the sale of any Variable Rate Bonds shall not exceed 3 percent of the principal amount thereof. The Chief Financial Officer is hereby authorized to execute and deliver on behalf of the Board a Purchase and Sale Agreement with respect to the sale of the Bonds of each Series, which (i) in the case of a Bond Purchase Agreement shall be in substantially the form used in previous financings of the Board and (ii) in the case of a Placement Agreement or a Competitive Sale Agreement shall contain terms and provisions no less favorable to the Board as those contained in a Bond Purchase Agreement. Any such Purchase and Sale Agreement shall contain such final terms as shall be approved by the Chief Financial Officer, such approval to be evidenced by such Chief Financial Officer's execution thereof, and the Chief Financial Officer is also authorized to do all things necessary and essential to effectuate the provisions of such Purchase and Sale Agreement, as executed, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof. The Chief Financial Officer shall make a finding in connection with the execution of each Purchase and Sale Agreement that (i) the Bonds sold thereunder have been sold at such price and bear interest at such rate that neither the true interest cost (yield) nor the net interest rate received upon the sale of such Bonds exceeds the maximum rate otherwise authorized by applicable law, and (ii) that no person holding any office of the Board, either by election or appointment, is in any manner interested, either directly or indirectly, in his or her own name, in the name of any other person, association, trust or corporation, in the Indenture, any escrow or similar agreement executed and delivered pursuant to Section 5 hereof, the applicable Purchase and Sale Agreement or any agreement with a Bond Insurer, Debt Reserve Credit Facility Provider or Credit Provider authorized by paragraphs (b), (c) and (d) of this Section, or in the issuance and sale of such Bonds, in accordance with the laws of the State of Illinois and the Code of Ethics of the Board (Board Rule No. 11-0525-P02, as amended).

(b) In connection with any sale of the Bonds of each Series, each of the Designated Officials is hereby authorized to obtain a bond insurance policy from such recognized bond insurer as such Designated Official shall determine (the "*Bond Insurer*") if said Designated Official determines such bond insurance policy to be desirable in connection with the sale of such Series of Bonds, or with respect to specified or designated maturities of such Series of Bonds. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Bond Insurer that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution and to pay upfront or annual fees to the Bond Insurer in connection therewith.

(c) In lieu of, or in addition to, the deposit of proceeds of the Bonds of any Series or other funds into a debt service reserve fund as authorized in paragraph (g) of this Section, each of the Designated Officials is hereby authorized to obtain a debt reserve credit facility from such recognized provider as

such Designated Official shall determine (the "*Debt Reserve Credit Facility Provider*") if such Designated Official determines such debt reserve credit facility to be desirable in providing for the funding of any required debt service reserve fund. Each Designated Official is also authorized to enter into such agreements and make such covenants with any Debt Reserve Credit Facility Provider that such Designated Official deems necessary and that are not inconsistent with the terms and provisions of this Resolution, including the payment of reasonable fees to any Debt Reserve Credit Facility Provider.

(d) In connection with the sale of the Bonds of any Series, to provide additional security and liquidity for such Bonds, each of the Designated Officials is hereby authorized to obtain a letter of credit, line of credit or other credit or liquidity facility, including similar agreements with or facilities issued by a Bond Insurer (a "*Credit Facility*"), if determined by such Designated Official to be desirable in connection with such sale of Bonds. Each of the Designated Officials is hereby further authorized to appoint one or more banks, Bond Insurers or other financial institutions to issue such Credit Facility (the "*Credit Provider*") and to execute and deliver on behalf of the Board a credit, reimbursement or similar agreement (the "*Credit Agreement*") providing for the issuance of the Credit Facility and the obligation of the Board to repay funds borrowed under the Credit Facility or advances made by the Credit Provider under the Credit Facility with respect to such Bonds. The Credit Facility may be in a form that provides for the purchase of such Bonds by the Credit Provider (any such Bond so purchased being referred to as a "*Bank Bond*") and the Indenture as executed and delivered shall reflect the terms and provisions of such Bank Bonds. Any Bonds outstanding as Bank Bonds shall be secured as provided in the applicable Indenture. The annual fee paid to any Credit Provider for the provision of a Credit Facility shall not exceed 3 percent of the amount available to be drawn or advanced under such Credit Facility.

The Credit Agreement may provide that alternative interest rates or provisions will apply during such times as the Bonds constitute Bank Bonds or the Board has outstanding repayment obligations to the Credit Provider (the "*Credit Provider Rate*"), which Credit Provider Rate shall not exceed the maximum permitted by law, but in no event more than 15 percent per annum (the "*Maximum Credit Provider Rate*"). The Credit Agreement may further provide that to the extent the Credit Provider Rate determined at any time pursuant to the Credit Agreement exceeds the Maximum Credit Provider Rate, such excess may accrue at the then-applicable Credit Provider Rate (but in no event may such excess accrue at a rate in excess of 25 percent per annum) and be added to the Credit Provider Rate at such time or times thereafter as the Credit Provider Rate shall be less than the Maximum Credit Provider Rate; *provided*, that at no time shall the Credit Provider Rate per annum exceed the Maximum Credit Provider Rate.

Any Credit Facility obtained as provided herein shall cause the Bonds secured thereby to bear an investment grade rating from at least two nationally recognized rating services.

(e) Subsequent to the sale of the Bonds of any Series, either or both of the Designated Officials shall file in the office of the Secretary a notification of sale directed to the Board setting forth (i) the aggregate original principal amount of, maturity schedule, redemption provisions and interest rates for the Bonds sold, (ii) a description of the specific Pledged Revenues pledged to the payment of the principal of, redemption price of, interest on and the Compound Accreted Value of the Bonds of such Series, (iii) the principal amounts of the Bonds sold as Current Interest Bonds, Capital Appreciation Bonds and Convertible Bonds, respectively, (iv) in the case of Bonds sold as Capital Appreciation Bonds and Convertible Bonds, (A) the Original Principal Amounts of and Yields to Maturity on the Capital Appreciation Bonds and Convertible Bonds being sold, and (B) a table of Compound Accreted Value per \$5,000 Maturity Amount for any Capital Appreciation Bonds and Convertible Bonds being sold, setting forth the Compound Accreted Value of each such Capital Appreciation Bond and Convertible Bonds on each semiannual compounding date, (v) the interest rates on the Current Interest Bonds sold, (vi) debt service schedules for the Bonds, together with determinable investment earnings from the investment of moneys held in the funds and accounts pursuant to the Indenture, demonstrating that the Pledged Revenues and said investment earnings and moneys held in the funds and accounts pursuant to the Indenture, are expected to be in an amount sufficient to provide the debt service coverage described in Section 2(b) hereof, (vii) the terms and provisions for the conversion of the Compound Accrued Value of any Convertible Bonds issued hereunder into Current Interest Bonds, (viii) the application of the proceeds of such Bonds for the purposes and within the limitations set forth in paragraph (g) of this Section, (ix) if a bond insurance policy is obtained as authorized herein, the identity of the Bond Insurer issuing the bond insurance policy and the premium and any fees required to be paid thereto, (x) if a debt reserve credit facility is obtained as authorized herein, the identity of the Debt Reserve Credit Facility Provider issuing the debt reserve credit facility, (xi) if a Credit Facility is obtained as authorized herein, the identity of the Credit Provider issuing the Credit Facility, and a copy of the Credit Agreement between the Board and such Credit Provider shall be attached to said notification of sale, (xii) the identity of the Trustee designated pursuant to Section 2 hereof with respect to the Bonds, (xiii) the identification of the outstanding bonds or other obligations being refunded with proceeds of the Bonds and the applicable redemption date or dates of the outstanding bonds or other obligations being refunded, (xiv) if an escrow or other similar agreement is to be executed and delivered as authorized in Section 5 hereof, the identity of any bank, trust company or national banking association selected by a Designated Official to serve as escrow agent thereunder pursuant to the authorization granted in said Section 5, and a copy of such agreement shall be attached to said notification of sale and (xv) the identity of and the compensation paid to the Purchasers in connection with such sale.

In the event that the Designated Official executing such notification of sale determines that the Bonds have been sold in such principal amount or maturing or bearing interest so as to require the levy of taxes in any year less than the amount specified therefor in Section 3(a) hereof, then such Designated Official shall include, in the notification of sale described in this Section, the amount of reduction in the amount levied in Section 3(a) hereof for each year resulting from such sale, and in addition, either or both of the Designated Officials shall file in the respective offices of the County Clerks certificates of tax abatement for such years. No such reduction in the amounts levied in Section 3(a) hereof need be made nor must any certificate of tax abatement be filed as described in the preceding sentence until either or both of the Designated Officials have determined that any amount so levied in Section 3(a) hereof will not be needed to secure the Bonds being sold at that time or any Series of Bonds to be sold in the future. Any certificate of abatement delivered pursuant to this paragraph shall refer to the amount of taxes levied pursuant to Section 3(a) hereof, shall indicate the amount of reduction in the amount of taxes levied by the Board resulting from the sale of such Bonds, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which is to be extended for collection by the County Clerks. Each of the Designated Officials is also authorized to file in the respective offices of the County Clerks certificates of tax abatement that reflect the refunding of any obligations of the Board.

(f) The distribution of a Preliminary Official Statement, Private Placement Memorandum, Limited Offering Memorandum or Notice of Public Sale relating to each Series of the Bonds (the "Disclosure Document") in substantially the respective forms delivered in connection with previous issues of Fixed Rate Bonds and previous issues secured by some or all of the Pledged Revenues, but with such changes as shall be approved by a Designated Official to reflect the terms of the Bonds proposed to be sold and the method of sale of such Bonds, is hereby in all respects, ratified, authorized and approved and shall be "deemed final" for purposes of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934 ("Rule 15c2-12"), and the proposed use by the Underwriters or the Competitive Purchasers of a final Official Statement (in substantially the form (i) of the Preliminary Official Statement but with appropriate variations, omissions and insertions to reflect the final terms of the Bonds being sold or (ii) authorized herein for a Preliminary Official Statement if none is used in the marketing of the Bonds being sold) is hereby approved. Each Designated Official is hereby authorized and directed to execute the final Official Statement or other Disclosure Document on behalf of the Board. A Designated Official may also cause the preparation and circulation of a Disclosure Document with respect to short-term borrowings of the Board for secondary market purposes that have been previously authorized by the Board.

If determined to be necessary by a Designated Official in connection with the initial sale or subsequent reoffering of any obligations previously authorized by this Board, the preparation, use and distribution of a Disclosure Document relating to such obligations is hereby authorized and approved. The

Designated Officials are each hereby authorized to execute and deliver such Disclosure Document on behalf of the Board. The Disclosure Document herein authorized shall contain a description of the terms and provisions of, and security for, such obligations, the use of proceeds of such obligations, financial information relating to the Board, and such other information as any Designated Officer determines to be advisable under the circumstances.

In connection with the sale of a Series of the Bonds, the Designated Officials are hereby authorized to provide to prospective Placement Purchasers such information regarding the Board's operations and finances as would typically be included in a Disclosure Document and to enter into such discussions and negotiations with such prospective Placement Purchasers as such Designated Officials shall deem appropriate. In addition, the Designated Officials are hereby authorized to prepare a Notice of Sale for distribution to potential bidders in connection with a public, competitive sale of a Series of the Bonds and to take all actions necessary to conduct any such sale.

(g) The proceeds from the sale of each Series of the Bonds shall be applied to the payment of (i) costs of the Project, (ii) costs of the Funding, (iii) costs of the Refunding, (iv) such interest to become due on such Bonds for such period not to exceed the greater of 2 years or a period ending 6 months after the estimated date of completion of the acquisition and construction of the Project as shall be determined by the Chief Financial Officer, and (v) the payment of the expenses related to the issuance of such Bonds, including, without limitation, fees to be paid to Bond Insurers or Credit Providers, and such proceeds shall be applied as provided in the applicable Indenture. In addition, proceeds from the sale of a Series of the Bonds in the amount of not to exceed 10% of the principal amount thereof may be deposited into a debt service reserve fund to be held under the applicable Indenture upon the direction of the Chief Financial Officer if it is determined that the creation of such debt service reserve fund is necessary and required in connection with the sale of such Bonds. All of such proceeds are hereby appropriated for the purposes specified in this paragraph.

(h) The Chief Financial Officer of the Board is hereby authorized to enter into or approve such agreements with investment providers as shall be necessary or advisable in connection with the investment of any funds on deposit under the Indenture, to the extent such investments are authorized under the terms of the Indenture, the Investment Policy of the Board and applicable law, as in effect from time to time.

*Section 5. Escrow of Pledged Revenues.* If deemed necessary and desirable to provide additional security for any Bonds, each of the Designated Officials is hereby authorized to execute and deliver on behalf of the Board, and the Secretary is authorized to attest, a form of escrow or other similar agreement with a bank, trust company or national banking association having the same qualifications as those set forth in Section 2(a) for a Trustee, reflecting the issuance of the Bonds and such segregation of Pledged Revenues and Pledged Taxes as the Designated Official executing such agreement shall deem appropriate.

*Section 6. Pledged Taxes Escrow Direction.* Each of the Designated Officials is hereby authorized, pursuant to authority contained in Section 20-90 of the Property Tax Code of the State of Illinois, as amended, to execute a written direction to the County Collectors of The Counties of Cook and DuPage, Illinois (the "*County Collectors*"), (i) to deposit the collections of the Pledged Taxes as and when extended for collection directly with such escrow agent designated pursuant to Section 5 in order to secure the payment of the principal of and interest on the Bonds, and (ii) to the extent necessary, advising the County Collectors of the abatement of the Pledged Taxes. The Designated Officials are directed to file a certified copy of this Resolution with each of the County Collectors.

*Section 7. Tax-Exemption and Non-Arbitrage.* Each of the Designated Officials is hereby authorized to take any other actions and to execute any other documents and certificates necessary to assure that the interest payments with respect to the Bonds of each Series are excludable from gross income for federal income tax purposes, to assure that the Bonds do not constitute "*arbitrage bonds*" or "*private activity bonds*" under the Internal Revenue Code of 1986, as amended, and to effectuate the issuance and delivery of the Bonds, including but not limited to the execution and delivery of a Tax Agreement; *provided, however*, that any of the Bonds may be issued as Bonds the interest on which is includible in the gross income of the owner thereof for federal income tax purposes if determined by a Designated Official to be beneficial to the Board. If any of the Bonds are issued as QZABs, a Designated Official shall make such representations with respect thereto as are required by Section 54E of the Internal Revenue Code of 1986.

*Section 8. Continuing Disclosure Undertaking.* Each of the Designated Officials is hereby authorized to execute and deliver one or more Continuing Disclosure Undertakings (each, a "*Continuing Disclosure Undertaking*") evidencing the Board's agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, as applicable to the Bonds of each Series. Notwithstanding any other provision of this Resolution or any Indenture, the sole remedies for any failure by the Board to comply with a Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order to cause the Board to comply with its obligations under the applicable Continuing Disclosure Undertaking. Each Continuing Disclosure Undertaking shall be in substantially the form used in previous financings of the Board, but with such changes therein as shall be approved by the Designated Official executing the same, with such execution to constitute conclusive evidence of such official's approval and this Board's approval of any changes or revisions therein from such form of Continuing Disclosure Undertaking.

*Section 9. Further Acts.* Each of the Designated Officials, officials or officers of the Board are hereby authorized to execute and deliver such other documents and agreements and perform such other acts as may be necessary or desirable in connection with the Bonds, including, but not limited to, the

exercise following the delivery date of the Bonds of any power or authority delegated to such official under this Resolution with respect to the Bonds upon original issuance, but subject to any limitations on or restrictions of such power or authority as herein set forth.

The General Counsel is hereby authorized to select and engage attorneys and other professionals to provide services related to the transactions described in this Resolution. The General Counsel may make such selection of professionals based upon substantial demonstrated prior experience. In addition, each of the Designated Officials is hereby authorized to execute and deliver any supplements or amendments deemed necessary in connection with the issuance, sale and delivery of the Bonds and other obligations of the Board which have heretofore been authorized, sold or delivered.

All actions of the officials or officers of the Board that are in conformity with the purposes and intent of this Resolution are hereby in all respects ratified, approved, and confirmed.

*Section 10. Expiration of Authority.* The Bonds authorized by this Resolution may not be issued after the date three years following the end of the petition period pursuant to the backdoor referendum with respect to the 2015 Authorization as provided in Section 17.5(a) of the Act.

*Section 11. Severability.* The provisions of this Resolution are hereby declared to be severable; and if any section, phrase, or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases, or provisions.

*Section 12. Repealer and Effective Date.* All resolutions or parts of resolutions in conflict herewith are, to the extent of such conflict, hereby repealed. This Resolution is effective immediately upon its adoption.

**AMEND BOARD REPORT 14-0625-PO2**  
**PAID TIME OFF POLICY**

**THE CHIEF EXECUTIVE OFFICER RECOMMENDS:**

That the Board amend Board Report 14-0625-PO2 Paid Time Off Policy.

**PURPOSE:** This policy provides for the accrual, accumulation and use of paid vacation days, sick days, personal business days and Short-Term Disability benefits by eligible employees in alignment with existing programs and practices, Board Rules and state law.

**POLICY TEXT:**

This policy applies to CPS employees in a job category listed by the Chief Executive Officer ("CEO") or designee as benefits eligible, including those employees who are subject to a CBA to the extent this policy does not conflict with the terms of the applicable CBA. This policy does not apply to employees in a job category listed by the CEO or designee as not benefits eligible which includes, but is not limited to, part-time, substitute or retiree job categories.

**I. Sick Days.** Employees are granted sick days for use during the employee's personal illness or serious illness in the immediate family or household. For purposes of this policy, immediate family or household means the employee's parent, grandparent, child, grandchild, brother, sister, spouse, domestic partner or party to a civil union as defined in Board Rule 4-17, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, nephew, niece, uncle, aunt, and cousin. Sick days may also be used in accordance with terms of the Board's Bereavement Leave (Board Rule 4-14).

A. *Sick Day Bank* - Sick days are earned by an employee at a rate of one day per full month worked and are maintained in the employee's Sick Day Bank. Teachers who are at the maximum step of the salary schedule and have at least thirteen (13) years of full-time teaching experience receive one (1) additional sick day per year. Teachers who are at Step 13 on the salary schedule and have at least eighteen (18) years of full-time teaching experience receive two (2) additional sick days per year. For new employees hired after the start of the fiscal year, a prorated number of sick days will be maintained in their Sick Day Bank, following a 60 calendar day waiting period that begins on the date of hire.

Effective July 1, 2012, sick days that an employee does not use on or before June 30<sup>th</sup> of the fiscal year in which the sick days were earned shall be removed from the Sick Day Bank and forfeited. Any days in the Sick Day Bank that an employee does not use on or before the date their employment ends shall be forfeited. If an employee requests to use sick days before they are earned, that request may only be granted if that employee agrees in writing that, in the event the employee resigns or is otherwise separated from employment after having been paid unearned sick days, the CEO or designee may deduct the amount of paid unearned sick days from any final compensation due to the employee, including any final payout of vacation days on separation.

Nothing in this section prohibits the Chief Talent Officer from authorizing additional paid time-off when appropriate in extraordinary cases where an employee's continued illness extends beyond the amount of their available paid time off.

B. *Grandfathered Sick Day Bank*. For employees hired before July 1, 2012 with an existing bank of accumulated unused sick days as of June 30, 2012, such sick days were retained in a Grandfathered Sick Day Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee's Grandfathered Sick Day Bank are subject to the payout provisions set out in Section I.H. of this Policy. Employees with a Grandfathered Sick Day Bank who are laid off or who resign and return to service within one year of separation shall have a restoration of their unpaid accumulated sick days in their Grandfathered Sick Day Bank at time of separation.

C. *Transfer of Sick Days Earned at Other Agencies*. Effective July 1, 2012 for new employees, the CEO or designee shall not accept the transfer of accumulated sick days earned as a full-time employee of the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Cook County Forest Preserve District, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, City Colleges of Chicago or the State of Illinois ("other agency"). For employees with an authorized transfer of other agency sick days occurring prior to July 1, 2012, such days are maintained in an Other Agency Sick Bank for use by the employee. Upon resignation or retirement, unused days remaining in the employee's Other Agency Day Bank are forfeited and are not subject to payout.

D. *Sick Pay*. Employees who use their sick days (whether Sick Days, Grandfathered Sick Days or Other Agency Sick Days) shall be paid their regular daily rate of pay for the sick day at the time the sick day is taken. Teachers on extended programs, including 8-hour day positions and regularly scheduled classes authorized on an overtime basis (but not including classes established after regular school hours to supplement the regular program, such as after-school classes in reading and arithmetic, driver training programs, evening school programs and social center programs), will be entitled to extended-day pay when absent if entitled to sick pay for the normal school day under the provisions of this policy.

E. *Physician's Certificate*. Any employee who is absent for more than three (3) consecutive work days shall provide a certificate of treatment from a physician, or if the treatment is by prayer or spiritual means, from the advisor or practitioner of such employee's faith as condition of his/her return to work. If a supervisor has a reasonable suspicion that an employee is abusing sick days, s/he may demand that the employee provide a certificate that the employee has received treatment from a physician, advisor or practitioner regardless of the number of days of absence.

F. *Returnees from Military Leave*. Employees who return from military leaves within sixty (60) days after they are honorably discharged shall receive credit for the purpose of sick day allotment for the period of their military leave, as if they had been continuously in the service of the Board.

G. *Failure of Notice of Return to Service*. When a teacher, or other employee category where a substitute is assigned, reports for duty after a temporary absence without giving notice to the school by 2:00 p.m. the day prior to his/her return to duty and a substitute has been sent to the school, the amount paid to the substitute for one-half (½) day service shall be deducted from the salary of the teacher.

H. *Payout of Grandfathered Sick Day Bank Upon Qualifying Event.* The CEO or designee shall pay an eligible employee all or part of his/her Grandfathered Sick Day Bank as set out below.

1. *Qualifying Event and Payout Percentage.* An employee is eligible to receive a full or partial payout of their Grandfathered Sick Day Bank based on a qualifying event as follows:

Qualifying Event	Percentage to be Paid Out
Resignation or retirement with 33.95 or more years of Board service	100%
Resignation or retirement with at least 20 but less than 33.95 years of Board service	90%
Resignation or retirement at age 65 with less than 20 years of Board service	85%
Employee's Death	100%

2. *Payout of Grandfathered Sick Day Bank to 403(b) Tax Deferred Compensation Plan for Certain Eligible Employees.* Effective July 1, 2004, in lieu of the amount payable to an eligible employee who (i) separates from service with the Board and who, upon such separation, is eligible to receive a service retirement pension pursuant to Section 17-116 of the Illinois Pension Code or an annuity pursuant to Sections 8-130, 131, or 132 of the Illinois Pension Code, and (ii) who has the equivalent of two thousand (\$2,000.00) dollars or more in his/her Grandfathered Sick Day Bank at the time of separation, the Board shall contribute on behalf of an eligible employee to the Chicago Public Schools 403(b) Tax Deferred Compensation Plan (the "Plan") an amount equal to the lesser of (i) the applicable unused Grandfathered Sick Day Bank pay equivalent amount payable under Section I.H. of this Policy, or (ii) \$80,000 (the "Contribution"). If the eligible employee has not contributed to the Plan at the time of his or her separation, the Board shall select a Plan Service Provider pursuant to its established guidelines. Because of the limitations imposed by Section 415 of the Internal Revenue Code of 1986, as amended ("IRC"), the Contribution in the year of separation shall be the lesser of (i) the IRC limit less any amount of elective deferrals that the eligible employee may have made to the Plan in the year of separation, or (ii) the total unused days in the employee's Grandfathered Sick Day Bank. If the full Contribution cannot be made to the Plan in the year of separation, then additional installments of the Contribution (up to the IRC limit for each year) shall be made no later than March 31 of each succeeding calendar year following the calendar year in which separation occurs, up to five years, if necessary. The amount of each installment shall not exceed the amount allowable under IRC Sections 403(b) and 415. Any amount in excess of the Contribution or below the minimum Contribution amount that would be payable under Section I.H. of this Policy shall be paid directly to the eligible employee at the time of separation.

**II. Short Term Disability Benefits.** Effective January 1, 2013, in the event an employee is unable to work due to the employee's non-occupational injury, sickness or pregnancy the employee may apply for a Short-Term Disability ("STD") benefit. Under the STD plan, an employee may continue to receive a full or partial salary for up to 90 calendar days in a rolling 12-month period. An employee's eligibility for STD benefits is subject to the applicable conditions and prerequisites specified in the STD plan issued by the CEO or designee including those related to the use of sick days, filings under the Family and Medical Leave Act, physician documentation and coverage exclusions. For new employees, STD eligibility begins on the first calendar day of the month following a 60 calendar day waiting period that begins on the date of hire.

**III. Personal Business Days.** Beginning July 1, 2012, employees are granted an allotment of three (3) personal business days ("Personal Day(s)") annually during the first payroll period of the fiscal year in July. New employees shall be granted three (3) Personal Days prorated according to their date of hire as follows: those beginning employment between July 1 and September 30, three (3) days; those beginning employment between October 1 and March 31, two (2) days; those beginning employment between April 1 and May 31, one (1) day; and, those beginning employment between June 1 and June 30, zero (0) days. New employees will receive their allotment of Personal Days following a 60 calendar day waiting period that begins on the date of hire. The Personal Days that are not used by the employee within the same fiscal year in which they are granted shall be forfeited.

#### **IV. Vacations Days.**

##### **A. Accrual of Vacation Days.**

1. ~~Officers. The General Counsel, the Board Secretary, Executive Officers and Officers shall accrue paid vacation days per payroll period at rate of five (5) weeks or twenty five (25) days per year. Unused vacation days granted under this section shall accumulate up to the maximum amounts set forth in Section IV.A.3.~~

- 1.2. *Teachers and Employees Employed For Less Than 52-weeks.* Teachers and employees employed for less than 52-weeks, including appointed and temporarily assigned teachers, shall receive up to ten (10) days of paid vacation per year, five during the Winter Recess and five during the Spring Recess as designated in the Academic Calendar. A new teacher or employee in a position with an employment period of less than 52-weeks per year, less than 12 calendar months per year or less than 13 school months per year, shall be eligible for three (3) paid

vacation days for Winter Recess based on formulas in applicable collective bargaining agreements. Vacation days under this section shall be used and shall not accumulate.

- 2.3. Educational Support Personnel and Officers.** Effective July 1, 2014, educational support personnel and certificated administrators shall accrue vacation days each pay period at the accrual rate set forth below unless the employee has reached his/her maximum accrual amount. Effective September 6, 2015, the General Counsel, the Board Secretary, Executive Officers and Officers shall accrue vacation days each pay period at the accrual rate set forth below unless the employee has reached his/her maximum accrual amount.

<u>Years of Service</u>	<u>Accrual Rate</u>	<u>Maximum Accrual</u>
For service up to and including ten (10) years	.058 days per day paid, not to exceed three (3) weeks or fifteen (15) days per year	20 days
For service eleven to twenty (20) years inclusive	.077 days per day paid, not to exceed four (4) weeks or twenty (20) days per year	25 days
For service for twenty-one (21) or more years	.097 days per day paid, not to exceed five (5) weeks or twenty-five (25) days per year	30 days
<del>Officers granted 25 vacation days per year based on their position title</del>	<del>.097 days per day paid, not to exceed five (5) weeks or twenty-five (25) days per year</del>	<del>30 days</del>

Once the applicable maximum accrual of vacation days has been reached, no additional vacation days will be accrued by the employee until the balance of unused vacation days falls below the applicable maximum accrual.

**B. Vacation Day Use and Pay.** Vacation shall be taken at a time approved by the employee's department head or designee. Employees shall be paid their regular daily rate of pay for their Vacation Days at the time the vacation is taken.

**C. Years of Service and Adjustments to Service Credit.** The calculation of an employee's years of service with the Chicago Public Schools is based on full-time service only and shall be subject to the accounting procedures and requirements established by the CEO or designee. The following adjustments shall apply when determining an employee's years of service for vacation accrual purposes.

- 1. Military Service.** Employees who have returned from military service and who resume work with the Chicago Public Schools within sixty (60) days after a discharge other than dishonorable shall be considered as having been continuously in the service of the Chicago Public Schools during the period of such leave. An employee shall earn no vacation days during the period of the employee's military leave of absence.
- 2. Outside Public Agency Service.** Effective July 1, 2012, service credit adjustments shall not be made for new employees who were previously employed by the City of Chicago, Chicago Housing Authority, Chicago Park District, County of Cook, Forest Preserve District, Metropolitan Pier and Expositions Authority, Metropolitan Water Reclamation District of Greater Chicago, School Finance Authority, Chicago Transit Authority, City Colleges of Chicago or the State of Illinois. Any service credit adjustment for prior employment with the above-noted agencies authorized for an employee prior to July 1, 2012 in accordance with the rules and policies then in effect shall be maintained until the employee separates from employment. Upon payment, Reserve Days will no longer be awarded or held in a benefit day bank for employee use.

**E. Payout Unused Vacation Benefit Days.** If an employee separates from Board service s/he shall be entitled to receive payment after separation for all unused vacation days at the employee's prevailing salary. An appointed teacher or temporary assigned teacher who is displaced shall be paid out any earned and unused vacation pay in accordance with formulas and eligibility criteria set forth in applicable collective bargaining agreements. In the event of an employee's death, the surviving spouse or estate shall be entitled to receive payment for all of the employee's unused vacation days at the employee's prevailing salary. An employee transferring either from a school month to a calendar position or from a calendar to a school month position shall receive payment for accumulated vacation days at the rate of pay immediately prior to the transfer.
